Transport conditions

- The maximum distance is 70 km for a bicycle or bike tour and 30 km for hiking tours. For longer distances, double the rate per person will be charged.
- If a car transport is necessary for the luggage transport, the additional costs will be charged separately.
- Surcharges for transports to car-free stage locations (cable car rides) will be charged on by us.
- In case of loss or damage of luggage, we are liable only if caused by us and reported to us immediately after occurrence, but even then, only up to a maximum of CHF 200.- per person. We do not assume any liability: for items which are not usually carried in the luggage, for means of payment of any kind, for optical damage and damage to handles and rollers, for damage to pieces of luggage whose total weight exceeds 20 kg, etc. The liability of Eurotrek ends after the luggage has been handed over to the hotel. No liability is accepted for damage or loss occurring after the transport.
